I am a single performer who sings through a headset mic and uses a combination of backing tracks and live, acoustic guitar. Depending on the set up, I can work my own ipod or I will have someone with me who can work it from the mixer. Questions? Call me at 778 246 1310

- #1 - DI (Acoustic Guitar)
- #2 - Wireless Headset Input into Mixer
- #3 - 3.5mm Stereo Jack to plug iPod into Mixer
